

VOLUNTEERING AT HOUND HEIGHTS

Thank you for your enquiry about volunteering for AWARE – we, and the animals, appreciate your interest. You will find a lot of information about us on the AWARE Web site at www.animalaware.org, and you can visit us on facebook ‘[AnimalAwareGuatemala](https://www.facebook.com/AnimalAwareGuatemala)’.

AWARE is located at 7,000ft or 2100m and is currently housing approximately 315 dogs and 63 cats. We need volunteers who are responsible for themselves and who can take initiative. The AWARE property is a very busy place and you may have tasks to complete on your own. We are looking for volunteers who are driven and self motivating. A day of volunteering can be exhausting and you will be subject to unpleasant odors at times. A typical volunteer experience includes: walking dogs, cleaning runs and kennels, bathing dogs, giving medicated baths, brushing cats and dogs and socializing puppies and new dogs.

Please take a moment to fill in the questionnaire, and send it back to us as soon as possible.
